# RIVER CITY READER

**Daylight Savings Time Ends**  
**Veteran's Day**

# **Mask Requirements Will Remain in Place for November**

Any patron/guest wanting to make use of the library must wear a mask that fully covers their nose and mouth. The mask must be worn by all patrons age 2 and above while inside the library, including the lobby area.

We request that anyone who has been recently exposed to someone who has tested positive for COVID-19 or who is running a fever (or displaying any other signs of illness regardless of the cause) please refrain from using the public areas of the library until they are past their quarantine period or feeling well again to protect their fellow patrons and the children who make use of our facilities.

We ask that patrons continue to respect their fellow patrons if they prefer to continue to social distance from others. Please keep in mind that vaccinations are still not an option for our youngest patrons.

## **As a reminder:**

Restrooms and seating/study areas inside the library are NOT currently available - this includes sitting on the stools or on the floor. Our Meeting Room is currently unavailable for any public functions.

For patrons who have mobility issues or that currently wish to continue to avoid excessive public contact, we are continuing to provide curbside service. Patrons requiring curbside assistance might experience some wait times depending on current traffic inside the library and the availability of staff members.
